### **Certificate on Confirmed Delivery Booking**

#### **[for Hong Kong and Expatriate (non-Mainland Chinese) Residents]**

In order to assist better planning and utilization of labor ward facilities, security deposits are to be levied on clients who wish to deliver their babies at St. Teresa's Hospital.

For intended mothers with HK Identity Cards and expatriate mothers (non-Mainland Chinese) a deposit of HK\$6,000\* is to be levied. This can be paid in person, or by their representatives with copies of identity of the intended clients and their doctors' duly completed delivery booking forms, at or around 24 weeks of gestation (with reference to the expected date of delivery) with effective from June 2011.

If the required deposit is not paid at the appropriate time (at or around 24 weeks of gestation), the respective booking for the intended client would automatically be cancelled by the Hospital without notice. For whatever reason that the delivery is not eventuated at St. Teresa's Hospital, the HK\$6,000 deposit will not be refunded.

Day and time of payment:

Monday to Friday (except public holidays): 9:00a.m. to 5:00p.m.

Notes:

1. Foreign tourists requiring admission into the hospital have to pay an initial deposit of HK\$50,000 in cash or by credit cards
2. Prices subject to change without prior notice.
3. The above delivery packages are not applicable to maternity patients from Mainland China
4. No breakdown is provided for the delivery packages
