Certificate on Confirmed Delivery Booking

In order to assist better planning and utilization of labor ward facilities, security deposits are to be levied on clients who wish to deliver their babies at St. Teresa's Hospital.

For intended mothers should be paid deposit at or around 24 weeks of gestation (with reference to the expected date of delivery) with effective from June 2011. If the required deposit is not paid at the appropriate time (at or around 24 weeks of gestation), the respective booking for the intended client would automatically be cancelled by the Hospital without notice. For whatever reason that the delivery is not eventuated at St. Teresa's Hospital, the deposit will not be refunded.

Day and time of payment:

Monday to Friday (except public holidays): 9:00a.m. to 5:00p.m.

Notes: Foreign tourists requiring admission into the hospital have to pay an initial deposit of **HK\$50,000** in cash or by credit cards
