			90 th percentile	21,500	15,251	36,751
	<30	Day Surgery	50 th percentile	16,500	7,208	23,708
			90 th percentile	17,000	10,493	27,493

Remarks:

- (1) The information provided above is based on data from patients accommodating in standard wards or on a day surgery basis; and undergoing a single procedure. Data from patients undergoing multiple procedures are excluded.
- (2) The percentile ranking is based on the "Total Charges". It is possible that the "Total Charges" percentile ranking may not be applicable to the individual itemized figures.
- (3) The exact charges would be subject to change in accordance with patient's condition, case complexity and individual doctor's charge incurred.
- (4) Doctor's fee includes anesthetist's fee, surgeon's operation and ward round fee, etc.
- (5) Hospital charges include admission service, accommodation, operation theatre room charges, use of equipment and associated materials, nursing procedures, investigation and examination fees, medication and injection fees, treatment and associated materials, meals and beverage, sundries, etc.
- (6) All information should be used for reference only. The actual Hospital bill charges may be higher or lower than the reference figures.
- (7) The number of services of certain procedures were minimal that it may not reveal the clear picture of charging fees.
